

Habitat for Humanity of Greater Charlottesville
cordially invites you to celebrate
the dedication of the homes of the

Hussain Family and the Martin & Green Family

Saturday, July 8th at 10:30am

The families have worked hundreds of hours on the build site and in the office, and with the help of volunteers and sponsors, built their homes and realized their dreams of homeownership.

We look forward to celebrating with you!

*A brief ceremony will be followed by
an open house and light refreshments.*

This event is rain or shine.
