*The Habitat Store reserves the right to refuse any donation upon inspection. Please contact us for additional information at 434-293-6331. We appreciate your thoughtful consideration.*

**Appliances** We accept appliances less than 12 years old, including: **washing machines, dryers, refrigerators, microwave ovens, gas and electric ranges, and freezers.** Appliances must be in perfect working condition and have all necessary parts. Please call ahead regarding appliances older than 12 years old that are in exceptional condition. EPA regulations prevent the resale of water heaters and dishwashers that do not meet lead-free certifications.

**Cabinets** We accept residential and commercial cabinets. Cabinets must have all drawers and be completely free from water damage, mold, or structural damage. Additionally, we accept solid wood cabinet doors in excellent condition.

**Doors** We accept pre-hung, interior, exterior, commercial, antique, and storm doors. Doors should be free from rotten wood, broken panels, or punctures. With the exception of antique doors, there must be no cracked or broken glass. Storm doors must have all necessary tracking.

**Flooring** We accept new carpets - in sizes exceeding 25 sq. ft. and new or used rugs of any size. All carpets and rugs must be in pristine, 'like new' condition with no stains, fraying, odors, or animal hair  
 -Hardwood, vinyl, & laminate flooring should be donated in quantities of 40 sq. ft. or larger  
 -Tile flooring:  
   -12"x12" or larger - 25 sq. ft. or more  
   -Sizes between 2"x2" and 12"x12" - 10 sq. ft. or more  
   -Mosaic or smaller than 2"x2" - in any quantity

**Furniture** We accept upholstered furniture without stains, rips, or animal hair, as well as all wood or metal furniture that is structurally sound. Due to Health Department restrictions, we cannot accept or sell mattresses or box springs. L-desks are accepted on a limited basis. Please call ahead.

**Hardware** We accept door hardware, hinges, nails, screws, bolts, brackets, fasteners, and all tools (hand and power) that are in working order and pose no safety risk. Because of disposal issues, we cannot take lithium or NiCd batteries unable to hold a charge.

**Lawn and Garden** We accept metal patio furniture, yard tools, and **unopened** yard care products such as grass seed and fertilizers. We also accept small engine tools such as weed eaters, lawn mowers, hedge trimmers, and tillers, provided they are in perfect working condition and entirely emptied of fuel. Fire regulations prevent our acceptance of any engine or motor containing fuel.

**Electrical** We accept commercial and residential electrical supplies, including switches, outlets, drop cords, coaxial cable, and various electrical wiring of usable length and gauge.

|--------------------|---|
| <b>Lighting</b>    | We accept indoor and outdoor lamps and hard-wired light fixtures provided they are in working order and without broken panes of glass or cracked globes. We accept track lighting, and recessed lighting for both resale and scrap metal purposes. Because of disposal issues, we cannot accept fluorescent lighting fixtures, or tube fluorescent light bulbs, unless they are unopened and in their original packaging. |
| <b>Lumber/Trim</b> | We accept sheet goods (drywall, plywood, pegboard, OSB, etc.) in pieces of 1/4 sheet size or larger. Pieces of siding, trim, molding, and lumber must be at least 48 in. or longer. There must be no rot, water damage, nails, or warping.  |
| <b>Paint</b>       | We accept containers of paint (75% full or more), spray paint, primer, and stain, less than 5 years old, provided that the product has been stored indoors in a temperature controlled environment, with no external rust around the lid.   |
| <b>Plumbing</b>    | We accept all sinks complete with necessary mounting brackets and pedestals. We accept plumbing hardware, low-flow toilets, tubs, and faucets meeting new EPA lead-free requirement certifications. Cast-iron tubs and sinks must not have cracked enamel or rust stains. Jacuzzi tubs must be in full working-order.   |
| <b>Windows</b>     | We accept both complete wooden and complete vinyl windows, provided there is no cracked glass, fogged glass, or broken panes. There must be no rot or water damage on the frame. Wooden and vinyl window sashes are accepted independent of original framing if they are in excellent shape and can be repurposed.  |
